PROPOSED DECISION

The matter came on for hearing before Philip J. Hanley, an Administrative Law Judge of the Office of Administrative Hearings, on August 10, 1978 in Sacramento, California.

Daniel Weston, Deputy Attorney General, appeared for the complainant.

There was no appearance by or on behalf of the respondent, Donald W. Hannon.

Evidence was received, the hearing was closed and the matter was submitted. The Administrative Law Judge certifies this decision and recommends its adoption.

FINDINGS OF FACT

I

Complainant Robert Rowland is Executive Director of the Board of Medical Quality Assurance of the State of California. Rowland filed the accusation in his official capacity.

II

Respondent Donald W. Hannon, M.D., on March 18, 1957, was issued Physician's and Surgeon's Certificate No. C-18437 by the Board to practice medicine and surgery in California. The certificate since has been effective.

III

On November 27, 1976 the State Board of Medical Examiners of Minnesota suspended indefinitely respondent's license to practice medicine in that state under the certificate issued to him by that Board.

Findings of the Minnesota decision were that respondent was mentally ill.

The Minnesota suspension continues in effect.

IV

Section 2363, Business and Professions Code, provides substantially that discipline by another state of a license to practice medicine issued by that state, shall be grounds for discipline of a license issued by the California Board.

DETERMINATION OF ISSUES

Grounds for discipline exist pursuant to Section 2363, Business and Professions Code.

ORDER

Certificate No. C-18437 issued to Donald W. Hannon, M.D., is revoked.
